

>> Objectives & Goals		
<ul style="list-style-type: none"> To develop and deliver best quality imaging & diagnosis in Ultrasonography & color Doppler by which clinicians can do the best and immediate management. To do the research work in the geographical variation of disease pattern To develop an advanced Ultrasonography training & research institute. To set up an advanced CT & MRI center. 		
>> Academics		
Bachelor of Medicine and Bachelor of Surgery(MBBS) Bharati Vidyapeeth Medical College, Pune, Maharashtra, India		July 1989 to Nov 1994
Diploma in Medical Radiodiagnosis & Imaging (DMRD) Pravara Medical College, Loni, Ahmednagar District, Maharashtra, India		Jan 1995 to Dec 1996
Advanced training in whole body Ultrasonography & Color Doppler Jaslok Hospital and research center, Mumbai, Maharashtra, India		Jan 1998
>> Research, Papers & Publications		
<ul style="list-style-type: none"> Complete hydatidiform mole co existing with normal intrauterine live fetus of 21 weeks – a case report , published in 13th World Congress on Ultrasound in Obstetrics and Gynecology, Paris, France, 2003 A multicenter Prospective study of Acute & Chronic Appendicitis – A Clinic – radiologic – pathological correlation, The paper is awaited to publish in an international scientific journal. A Prospective study on High resolution ultrasonography for gastrointestinal diseases – under evaluation. Climatic variation and Ologohydramnios – a clinic – radiological correlation, a study of 100 cases. The paper is awaited to publish in an international scientific journal. 		
>> Clinical experience & specialised trainings		
1. Clinical experience		
a) Chief Sonologist	Siddhivinayak Ultrasound Research Center, Baramati, Pune, Maharashtra, India	From August 2002 till date.
b) Chief Radiologist	Siddhiraj Whole Body CT Scan , Baramati, Pune, Maharashtra, India	From October 1998 till date.
c) Chief Sonologist	Giriraj Diagnostic Services, Giriraj Hospital & Intensive Care Unit, Baramati, Pune, Maharashtra, India	From March 1997 till date.

d) Consultant Sonologist	Nikop Hospital & Research Center, Phaltan, Satara District, Maharashtra, India.	From 1999 till date.
e) Visiting Consultant	Mamta Hospital, Yashwant Hopital, Vita, Sangli District, Maharashtra, India.	From 1997 - 2000

2. Specialised Trainings

- Workshop on “Color Doppler & Musculoskeletal Ultrasound”, Jaslok Hospital & Research Center, Mumbai, 1998.
- Pre Congress Course on Doppler in Obstetrics, 11th World Congress on Ultrasound in Obstetrics & Gynecology, Melbourne, Australia, 2001.
- Pre congress course on Congenital anomalies, 13th world congress on Ultrasound in Obstetrics & Gynecology, Paris, France, 2003
- “Fundamentals of computers “, knowledge of operating systems like WINDOWS & other programs. Jan-Mar 1997.

>> Other Professional Activities

- Trustee of R T Bhoite Smruti Arogya Pratishthan , Baramati since 1997, which has conducted 102 free camps as follows, where I have worked as a chief co-coordinator.

Serial Number	Types of camps	Total Number of camps
1)	Multispeciality diagnostic & treatment camps	49
2)	Blood donation camps	3
3)	Blood group detection camps	3
4)	Physical Health examination camps	2
5)	Continuing Medical Education Programs	13
6)	Lecture series on health awareness for the community	22
7)	Tuberculosis detection camps	1
8)	Eye check up camps	9

- Working as a Treasurer of Indian Medical Association, Baramati, Taluka since 1998, which has successfully conducted annual conference of Maharashtra state in November 2001, where more than 800 delegates attended the conference.
- Working as a Academic in charge for CME program for the Medicos Guild, Baramati for the year 2004 – 2005
- Panel Consultant for Life Insurance Corporation of India.
- Panel Consultant on the Pune District committee of Prenatal sex detection drive since 2002
- Chief editor of Medinews , Baramati, a quarterly medical news magazine , which publishes interesting cases in Medical practice.

>> PG Diploma in Medical Radiodignosis (DMRD)

Duration	2 Years residency program. Monthly Rotation in Conventional Radiology, Ultrasonography , CT Scan.
Course done at	Pravara Medical College & Hospital, Loni, Ahmednager District, Maharashtra, India.
University	University of Poona
Year of Passing	1997

Work Experience

1. Giriraj Hospital & Intensive Care Unit.

Giriraj Hospital & Intensive Care Unit is a multispeciality & superspeciality hospital of 80 beds strength. This hospital is fully equipped with all facilities fulfilling international gold standards. It which was started in 1988 by Dr. Ramesh R Bhoite MD (General Medicine) . Presently it is a tertiary referral center of entire 8 Talukas of nearby 5 distircts.

The hospital has a full fledged Department of Radio diagnosis which serves 24 hours. The department has siemens 300 ma X- Ray machine, Philips SD 800 whole body color Doppler system, Philips Tomscan EG which started Cath Lab & Open heart surgeries in a taluka place in 2003.I am the chief Radiologist of the Department.

Annually about 4000 radiographs are taken, 2500 CT scans are done, and 4000 ultrasound and 2000 Color Doppler examinations are carried out.

The hospital has 18 bedded intensive care unit which included 6 beds of Critical Care unit, 6 beds of Coronary care unit and 6 beds of Tranma Unit.

2. Siddhivinayak Ultrasound Research Center

I am the chief sonologist of my private clinic “Siddhivinayak Ultrasound Research Center” which was started in 2002 . The clinic is equipped with Acuson(Siemens) whole body Color Doppler system. About 4500 Ultrasound & 500 color Doppler examinations are carried out till date. I am doing a prospective study on high-resolution ultrasonography for gastrointestinal diseases since 2002. About 1500 cases are done till date.

>> Accomplishments

- Organised a CME program for Obstetricians & Gynecologists on “Diagnosis & Management of Oligohydramnios” at Baramati in December 2003.
- Organised & worked as Treasurer for the Annual Conference of Maharashtra state Branch of Indian Medical Association in 2001.
- Organised nearly 102 free camps in the field of Radiology, Cardiology, Urology & Plastic surgery in Baramati since 1990 – 2003.

- Organised Multispeciality free medical check up campus in 2001 , in which about 8000 patients were benefited.
- Organised series of Lectures for the doctors of Baramati on Conventional radiology, Ultrasound & CT Scan.
- Organised CME Programme & delivered lectures on high resolution Ultrasonography for the Doctors of Walchandnagar, Lonand, Karmala talukas.

>> Extra Curriculum

- Published an article on Radiology , its history & future in the annual magazine of R.T Bhoite Smruti Arogya Pratishtan in 1998.
- Active member of Personality development program – “Art of Living”
- Member of National Geographical Society.
- Received awards and recognition for paintings since child hood.
- Received award and recognition for photography.
- Actively participated in Dance & Drama competitions since childhood.

>> Professional membership

- International society of Ultrasound in Obstetrics & Gynecology.
- Indian Radiology & Imaging Association.
- Indian Medical Association.
- Lions International Club.
- Medicos Guild, Baramati.

>> Conferences attended

International Conferences

- Nycomed Intercontinental Continuing Education in Radiology, Calcutta , 1995.
- International Congress of Radiology , New Delhi. 1998.
- European Congress of Radiology(ECR) , Vienna, Austria . 1999
- 11th World Congress on Ultrasound in Obstetrics & Gynecology, Melbourne, Australia. 2001.
- 13th World Congress on Ultrasound in Obstetrics & Gynecology, Paris , France. 2003

National Conferences

- 49th Annual conference of Indian radiology & Imaging Association, Bangalore, Karnataka. 1995
- AIIMS – MAMC-PGI Imaging Courses, Urogenital Radiology, New Delhi. 1996.
- Recent Advances in imaging & Intervention in Cardiovascular diseases, New Delhi. 1996.
- Residents Review Course , Mumbai 1996.
- 7th National Conference of Ultrasound ,(USCON 7) Mumbai , 1998.
- 8th National Conference on Ultrasound,(USCON 8) , New Delhi, 1999
- Indian Medical Association, (PLATICON), Pune – 1999
- 53rd Annual conference of Indian radiology & Imaging , Bhopal 2000.
- 7th South Asian Regional conference on clinical Ultrasonography in Practice (CUSP 2000),

Chennai . 2000

- 54th Annual conference of Indian Radiology & Imaging , Manipal , 2001
- 12th National Conference on Ultrasound (USCON 12) , Calcutta , 2003.

Regional Conferences

- 20th Annual Regional Conference, Maharashtra state Radiology & Imaging Association , Kolhapur , Maharashtra, 1995.
- CME Programme on Imaging in Pediatrics , Pune . 1996.
- Annual regional Conference of IRIA , Maharashtra State 1997.
- Radiology in the next Millennium, CME & Workshop. Pune. 1999.
- CT Scan Update. Pune 2000
- Maharashtra State conference of IMA (MASTACON), 2001.
- Wadia Hospital Birth Defects Conference, Mumbai , 2002.
- 3rd Rural Medical Conference , Lonand , Maharashtra , 2002
- CME in Head & Neck Imaging, Pune , 2003
